The International Accounting Bulletin (IAB) is a monthly publication which provides exclusive surveys of accounting firms in leading and emerging markets, delivering over 20 country- and region-focused surveys every year. In their annual World Survey, published today, our association was also ranked as the 2nd largest in Africa, 3rd largest in Asia Pacific and amongst the top 10 in all other regions.

Liza Robbins, CEO of Morison KSi, commented:

"Morison KSi is continuing to demonstrate its growing strength as a member-focused association. I am looking forward to seeing firms develop even further over the next twelve months."

In the coming year, Morison KSi is planning to further expand its membership base in key locations where it currently does not have representation. It will also remain committed to delivering increased benefits to its members.

Congratulations to all member firms on a successful year and we look forward to working together in the year to come.
